## **Mission & Vision :-**

City Public School was founded with the vision of empowering students with knowledge, values, and skills to thrive in a rapidly changing world. Our mission has always been to provide a nurturing and innovative learning environment where students can develop into responsible, compassionate, and capable individuals. "At City Public School, our mission is to provide a dynamic and inclusive learning environment that empowers students to realize their full potential. We are committed to fostering intellectual curiosity, creativity, and character development in every student.

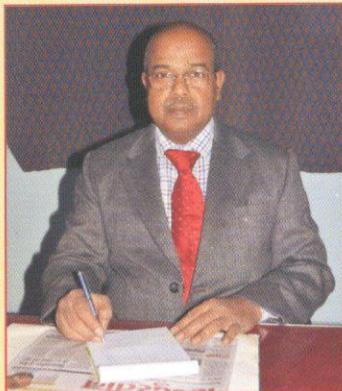

Through innovative teaching methods, a rich and diverse curriculum, and a dedicated faculty, we aim to instil a lifelong love for learning and equip our students with the knowledge, skills, and values necessary to excel in a rapidly changing world.

We believe in nurturing not only academic excellence but also personal growth, empathy, and social responsibility. Our goal is to produce students who are confident, compassionate, and equipped to make positive contributions to their communities and the global society.

City Public School is more than an educational institution; it is a place where dreams take flight, where students are encouraged to explore, question, and lead. Our mission is to be the guiding light for our students' educational journey, empowering them to reach new heights and create a brighter future for themselves and the world."

This mission statement conveys the school's commitment to holistic development, academic excellence, and the values it aims to instil in its students. It emphasizes the school's role in empowering students to succeed in a changing world and make a positive impact in society.

# Words of Management

Dear Parents,

Education is the highest function of civilization, and it is the only resource that makes us unique creatures in this wonderful world. We believe that schools are the fertile soil that nurtures education, and mentors are the farmers who sow the seeds of knowledge for the better growth of students.

Keeping these beliefs in mind, we laid the foundation of City Public School, a branch of the Vidyawati Foundation. It is our constant endeavour to equip our school with a well-developed library, laboratories, and modern instruments to promote the all-round development of our pupils.

We firmly believe that education integrated with technological advancement has become indispensable for students. Therefore, we have been continuously equipping our school with proficient and skilled teachers, along with modern computer-related facilities.

We aim to provide a nurturing and value-based environment for our students, helping them develop qualities such as determination, confidence, honesty, morality, and, above all, a sense of universal brotherhood, so that they may be victorious in every sphere of life.

“Appreciation is the memory of the heart.” We sincerely thank the parents whose moral support, faith, and admiration have helped our institution emerge as one of the leading schools in Gaya. We look forward to their continued encouragement in the days to come.

We truly believe that every optimistic suggestion can bring about a remarkable and positive change in the betterment of our school. Suggestions from all are always welcome.

With Warm regards

Always at service

# From the Desk of Principal

Dear Parents,

Namaskar,

School, for me, is a temple where darkness is eradicated by lighting the torch of perception—moulding character by replacing weak habits with strong ones and removing attitudes of doubt through determination. In the true sense, schools build a nation by elevating the human spirit, confidence, and a sense of oneness.

Welcome to City Public School, where our mission is to inspire a love for learning and foster holistic development in every student. We believe in nurturing curiosity, creativity, and character, guiding students to become confident, compassionate, and responsible individuals.

With a dedicated faculty, enriching programs, and a safe, supportive environment, we are committed to empowering students to reach their full potential and prepare for a bright future. We invite you to join us on this journey of growth and excellence.

I look forward to the continued cooperation of parents, teachers, and authorities in fulfilling our shared vision. I sincerely welcome every valuable suggestion from the bottom of my heart.

Thank you.

# Infrastructure

## CCTV SECURE CAMPUS

Our school campus is fully monitored by CCTV cameras to ensure the safety and security of all students and staff. The surveillance system helps maintain discipline and provides a safe learning environment throughout the school premises.

## COMPUTER CENTRE

Computer education is an integral part of the school curriculum. We take this opportunity to introduce Informatics. Well-planned computer education programmes have been introduced for students from Class I upwards.

A spacious laboratory equipped with the latest computers, which are always kept in an excellent state of maintenance, along with a large variety of software and computer literature, and an excellent team of computer science teachers, provide a conducive environment for learning this discipline.

## MUSIC AND DANCE DEPARTMENT

The facilities provided could be the envy of the best of schools. Music and dance are taught as art forms by experienced and reputed artists. Requisite musical instruments have been provided.

## SPORTS GROUND

The school has a spacious playground with sophisticated facilities for major team games such as football, volleyball, cricket, basketball, kho-kho, weightlifting, and table tennis, etc.

## MEDICAL ROOM

Our school has a well-equipped medical room with basic first aid facilities to take care of students' health and safety.

## AIR-CONDITIONED AUDITORIUM

The school has a spacious, air-conditioned auditorium where various cultural programs, seminars, and competitions are conducted. It provides a comfortable and modern environment for students to showcase their talents.

## ELEVATOR

A lift facility is available in the school building to ensure convenience and accessibility for students, teachers, and visitors, especially for those with physical difficulties.

## PRACTICAL LABS

Our school has well-designed and fully equipped practical laboratories for science subjects (Physics, chemistry and Biology) for secondary and higher secondary classes.

These labs help students gain hands-on experience and enhance their practical learning skills.

## GPS and CCTV Enabled Transport Services:

The school provides safe and reliable transport facilities covering all possible routes. Each bus is equipped with GPS tracking and CCTV cameras to ensure the safety of students during travel. Parents and school authorities can monitor the movement of buses in real time, ensuring a secure and comfortable journey for every child.

# Admission

## Admission (Nursery to IX)

- Admission (from Nursery to IX) is granted purely on the basis of merit and the ability of the child.
- The admission process starts from the third week of January every year, but registration starts from the first week of December.
- Birth Certificate, PEN, and Aadhar Card are required at the time of admission.
- T.C., Marksheets, and Character Certificate can be submitted up to 15th April of the new session; otherwise, admission will be cancelled.

### Note :

- No test is required for admission to Nursery.
- Students applying for Std. VIII and IX must score a minimum of 50% in the entrance test.
- The admission process is completely based on merit.
- The admission and registration fees are non-refundable.

# General Rules

1. Every student should be in proper school uniform (neat and clean); otherwise, he or she shall not be permitted to attend the classes or assembly.
2. The principal will meet parents and guardians on working days only, between 9:00 a.m. and 11:00 a.m.
3. All complaints must be made in writing and addressed to the principal, not to any other member of the school.
4. Parents are not allowed to meet teachers and students without prior permission.
5. The price of school furniture, equipment, apparatus, glass panes, and other school property damaged by a student due to carelessness will be charged to them.
6. Parents should consider it their duty to be present at Parent-Teacher Meetings.

## Academic Evaluation & Assessment

The school has a system of continuous and comprehensive assessment. There are two periodic tests excluding the midterm and final exams conducted during an academic session.

Due weightage is given to Class Tests (CT), Projects, and Subject Enrichment Activities as per CBSE guidelines.

Tests of each chapter of every subject are conducted regularly, and checked copies are sent to the parents.

## For Parents :

- The school diary is a means of communication with the teacher. The diary should be checked daily for homework and the teacher's remarks.
- Your child should have all textbooks and notebooks from the beginning of the session.
- Ensure that your child comes to school in proper uniform, with polished shoes and trimmed hair and nails.
- The child should attend school regularly and punctually. No leave of absence will be permitted without an application, and latecomers will not be allowed to sit in class.
- Fees should be paid as per the schedule.
- Any change in address or telephone number should be intimated to the school office.

## ATTENDANCE

Irregular attendance, unjustified or unexplained absence, habitual late coming, disobedience, or objectionable behaviour of any kind may result in removal from the school.

A minimum of 90% attendance of the total number of working days is mandatory for a student to be eligible to appear for examinations.

## OBJECTIONABLE BEHAVIOUR

Absence from class without a valid reason, disobedience, late coming, or any other objectionable behaviour by any student will be considered a very serious offence. The student concerned may be fined or summarily expelled.

## MODE OF PAYMENT

School fees are payable monthly. However, parents may pay school dues for the entire session in advance at the beginning of the academic year, if they so desire.

School fees are payable up to the 10th day of each month without a fine. From the 11th day onwards, a fine of Rs. 100/- per month will be charged.

If fees are not paid for two consecutive months, the name of the student concerned will be struck off the school roll, and re-admission will be purely at the discretion of the principal.

## Some Words from the Disciplinary Table

*" Discipline is the refining fire by which talent becomes ability. "*

In the present scenario, it becomes increasingly difficult to stand firm amid new trends and to secure a position in this fast-changing world. However, discipline helps us not only to achieve success but also to develop resilience against adverse conditions. Therefore, we should live with discipline and adopt a positive attitude toward life.

So, I beg the kind cooperation of parents by following the points mentioned below:

### Parents-Teachers Meeting

After the midterm and final exams, the ward's academic progress and participation in co-curricular activities will be communicated through the Parents-Teachers Meeting (P. T. M).
